The image shows the front cover of an A4 passport. It has a white background. At the top is the same swan-church logo as the A6 version. Below it, the text "THE WAY to ST JAMES" and "CYGNET + TASMANIA" is in a small sans-serif font, followed by "GLOBAL CAMINO" in a larger serif font. Below that is "Pilgrim Passport" in a small sans-serif font. Further down is "PILGRIM DETAILS" in a small sans-serif font. Below this are four lines for "Name:", "Location:", "Distance completed:", and "Date:", each followed by a horizontal line. Below these lines is the text "2021 Pilgrimage Completed" followed by a signature. Below the signature is the text "Fr. Michael Tate, Convenor". At the bottom, there are four small rectangular images: "MOUNTAIN RIVER" (a landscape with a signpost), "RANELAGH" (a building with a bird), "HUON RIVER" (a saint in a stained-glass style), and "CYGNET" (a building with a swan).

I have walked this way many times, but today felt rather special, it was that warm feeling of being part of a huge community doing something like me all over the world.

*"I return to the Global pilgrimage again as this is what a pilgrimage should be...bringing people together, being part of a bigger community, taking care of others while taking care of yourself. Sometimes, I feel...if only the world were more like the Camino."*
